General Chemical Industrial Products

May 1, 2007

Effective immediately, or as contract terms permit, General Chemical Industrial Products Inc. and General Chemical (Soda Ash) Partners will be increasing list and off-list prices for all bulk and packaged soda ash shipments by $15 per net ton (US funds). This increase applies to all grades of soda ash from all General Chemical plant, terminal and warehouse shipping locations.

	New List Prices (US funds) **Effective May 1, 2007** **FOB Green River, Wyoming**
Bulk Dense Soda	**$185.00 per net ton**
Bulk Natural Light	**$190.00 per net ton**
Bulk Natural Light-HA	**$215.00 per net ton**
Bulk Dense Ash – Food Grade	**$205.00 per net ton**
All packaged products	**Adjustments to include $15/NT bulk price increase plus packaging cost economics**
Warehouse/Terminal locations	**Adjustments to include $15/NT bulk price increase plus packaging cost economics plus freight and terminal/ warehouse costs**

General Chemical's energy surcharge program continues to remain in effect. The program's current second quarter, 2007, energy surcharge adjustment is $4.50 per net ton.

Thank you for your valued business. Please contact your General Chemical sales representative should you have any questions.
