

March 16, 2009

Per the terms of General Chemical's Natural Gas Energy Adjustment Program, below is the three month forward average of the NYMEX Henry Hub natural gas index as of the close of business on March 16, 2009.

	<u>\$/MM BTU</u>
April	3.850
May	3.922
June	<u>4.042</u>
Average	3.938

Therefore, General Chemical's natural gas energy adjustment surcharge for soda ash purchases made during the second quarter of calendar year 2009 is \$0.00/NT.
