June 16, 2008

Per the terms of General Chemical's Natural Gas Energy Adjustment Program, below is the three month forward average of the NYMEX Henry Hub natural gas index as of the close of business on June 13, 2008.

	<u>\$/MM BTU</u>
July	12.625
August	12.728
September	<u>12.765</u>
Average	12.706

Therefore, General Chemical's natural gas energy adjustment surcharge for soda ash purchases made during the third quarter of calendar year 2008 is \$12.00/NT.
